We are looking for a **full-time neurologist** with a passion for, and expertise in, the care of people with neurological problems.

This is a position for a full-time general neurologist. This individual would be RCPSC certified and would provide ambulatory care in the general neurology clinic (Rockyview General Hospital), urgent neurology clinic (Rockyview General Hospital) and possibly the headache clinic (South Health Campus). In addition, they will provide inpatient and consultation services and call at any of our 4 adult hospitals in Calgary. This would include approximately 5-7 weeks per year of service, each with an attached weekend, and approximately an additional 2 nights per month on call for 2 hospitals. This individual will also be expected to participate in divisional activities including teaching medical students and residents, attending departmental grand rounds and Division of Neurology meetings and activities. As we provide multidisciplinary, team-based care, exceptional collaboration and communication skills are expected. As the hospital and clinics are teaching services, teaching in clinics and on hospital service is required. Participation in clinical research is encouraged.

Shared office space will be provided on site at Rockyview General Hospital

Qualifications:

- The candidate must have their FRCPC in Neurology.
- The candidate must be eligible for Licensure with the College of Physicians and Surgeons of Alberta.
- Must read, write, and speak English.
- All qualified candidates are encouraged to apply; however, Canadians and Permanent Residents will be given priority.

Benefits:

- **This is a fee for service position.** Membership in the University of Calgary Medical Group is required. Membership brings several advantages, including an opportunity for sabbaticals, but there is no benefits package.
We’re passionate about what we do. Our team of skilled and dedicated health care professionals, support staff, and physicians promote wellness and provide health care every day, across the Calgary Zone. We are an equal opportunity employer. AHS values the diversity of the people and communities we serve and is committed to attracting, engaging, and developing a diverse and inclusive workforce.

The Department of Clinical Neurosciences (DCNS) ([http://www.ucalgary.ca/dcns/](http://www.ucalgary.ca/dcns/)) in the Cumming School of Medicine, University of Calgary, invites applications for a General Neurologist to join a large clinical and academic neurology group. Calgary is a large, cosmopolitan city just one hour from the Rocky Mountains, offering both a dynamic urban life with great restaurants, shopping, and entertainment, and access to some of the world's most beautiful national parks just an hour from the city.

The DCNS represents a hub of world class research in neurosciences, outstanding clinical programs, and a diverse, dynamic, and collegial group of neurologists, neurosurgeons, physiatrists, and neuroscientists, who collaborate daily with one another and with our close colleagues in neuroradiology and neuropathology. The cross-disciplinary structure of the department and outstanding collegiality of the group leads to opportunities for excellence and innovation in research and clinical care.

For more information regarding this position, please contact: Dr. Lara Cooke, Section Chief, Division of Neurology at lcooke@ucalgary.ca and applicants are to apply via Doctor Jobs Alberta and please submit a letter of interest, three letters of reference and CV in PDF format to: trena.guest@ahs.ca by August 15, 2023.
