

## PEDIATRIC NEUROLOGIST LOCUM

**Posting Date:** October 20, 2023

**Position profile:** Saskatoon and University of Saskatchewan, Department of Pediatrics, Division of Pediatric Neurology is seeking a Pediatric Neurologist to join our division to provide services on a locum term basis. This is an exciting opportunity to practice in a hospital based group practice where you will be joining two other Pediatric Neurologists to provide both inpatient and outpatient care to the children of Saskatchewan.

Call is shared equally with a 1:4 call rotation covering evenings and weekends. The number of patient clinics provided when not on call will depend on other duties but in general will range from 3-4 half day clinics per week.

**Compensation details:** Competitive contract

**Benefits:** Benefits are the responsibility of the successful candidate

**Location of practice:** Saskatoon, Saskatchewan

**Qualifications/Requirements of the position:** Candidates must hold certification or be eligible for certification in Pediatric Neurology from the Royal College of Physicians and Surgeons of Canada and be eligible for licensure with the College of Physicians and Surgeons of Saskatchewan (CPSS). Please note that preference will be given to candidates with an interest or fellowship in epilepsy and EEG certification. All eligible candidates are encouraged to apply.
