The Vancouver Island Neurosurgical Foundation is accepting applications for two associate neurosurgeons.

The Vancouver Island Neurosurgical Foundation is a non-profit composed of a team of neurosurgeons and staff operating out of offices in greater Victoria. One goal of the foundation is to promote shorter consultation wait times through the creation of clinical programs that improve patient communication and care. We are eager to collaborate with colleagues at various stages of their career who wish to provide non-operative consultation services for patients with Neurosurgical pathology or referrals within the Island Health region.

POSITION DESCRIPTION

*Position Classification:* Full-time, Part-time, Remote

Successful applicants will apply for associate privileges within Island Health and will be expected to support the foundation's objectives through screening incoming referrals and providing telehealth or office consultations. The appointees will fulfill flexible part-time hours from remote locations and will operate in collaboration with the foundation's physicians and personnel.

Applicants must hold an M.D. or equivalent, with completed training in Neurosurgery, must be eligible for licensure in the Province of British Columbia, and must have an active Royal College of Physicians and Surgeons of Canada Fellowship in Neurosurgery.

Consideration of applications will continue until the positions are filled. Interested applicants should email or fax a one-page cover letter of interest, current brief curriculum vitae, and two references to:
