

**Lecturer or Assistant / Associate / Full Professor – Academic Neurologist**

Department of Medicine, St. Michael's Hospital  
Temerty Faculty of Medicine, University of Toronto

The Department of Medicine at St. Michael's Hospital, in conjunction with the Temerty Faculty of Medicine, University of Toronto, is seeking a qualified full-time academic neurologist with advanced training in movement disorders. The successful candidate must be eligible for a full-time clinical academic appointment at the rank of Lecturer or Assistant, Associate, or Full Professor at the University of Toronto with the academic position description of Clinician Teacher (CT), Clinician in Quality and Innovation (CQI), Clinician-Investigator (CI), or Clinician Scientist (CS). Should the preferred candidate require advanced training they may be appointed to a Clinical Associate position. The expected start date is April 1, 2024, or another mutually agreeable date thereafter.

The successful candidate will hold an MD degree and should have, or be eligible for, certification in Neurology by the Royal College of Physicians and Surgeons of Canada and licensure with the College of Physicians and Surgeons of Ontario (CPSO). The successful candidate should have advanced training in movement disorders. The successful candidate will also have or be working towards a graduate degree or other advanced training relevant to their area of specialization. The successful candidate will support outpatient demands and inpatient consultations. They will participate fully in the education programs in Neurology at St. Michael's Hospital and the University of Toronto, as well as lead clinical research and/or quality improvement programs. For details on the University of Toronto academic clinical faculty requirements for advanced training and demonstrated scholarship for the job descriptions of CT, CQI, CI or CS, please see Table 2 at <https://deptmedicine.utoronto.ca/clinical-faculty-academic-appointments#Clinicalfacultyapptcategories>

The successful candidate will report to the Head, Division of Neurology at St. Michael's Hospital. The Division currently consists of 20 full time neurologists with a long history and strong continuing focus on excellence in teaching. Estimated remuneration will be commensurate with academic rank, qualifications, clinical work and experience.

Applications will be accepted until January 21, 2024. Should you be interested in this opportunity, please forward a one-page statement of interest, a curriculum vitae and the contact information of four referees, two who are internal to your current organization, and two external, to:

Dr. Sharon Straus, Physician-in-Chief

St. Michael's Hospital is part of Unity Health Toronto, comprised of Providence, St. Joseph's and St. Michael's Healthcare. Unity Health Toronto is one of Canada's largest Catholic healthcare networks serving patients, residents and clients across the full spectrum of care, spanning primary care, secondary community care, tertiary and quaternary care services to post-acute care through rehabilitation, palliative care and long-term care, while investing in world-class research and education. St. Michael's Hospital is a teaching and research hospital in downtown Toronto. Affectionately known as the Urban Angel, St. Michael's is renowned for providing exceptional

patient care. As downtown Toronto's adult trauma centre, the hospital is a hub for neurosurgery, complex cardiac and cardiovascular care, diabetes and osteoporosis care, minimally invasive surgery and care of the homeless and disadvantaged. Fully affiliated with the University of Toronto and home to the Li Ka Shing Knowledge Institute, St. Michael's provides outstanding medical education to health-care professionals in 29 academic disciplines.
