The CNSF – Who it represents

We are a Federation of Canadian Neuroscience Societies

- Canadian Neurological Society (CNS)
- Canadian Neurosurgical Society (CNSS)
- Canadian Society of Clinical Neurophysiologists (CSCN)
- Canadian Association of Child Neurology (CACN)
- Canadian Society of Neuroradiology (CSNR)
- Canadian Stroke Consortium (CSC)

The CNSF has over 1,000 members
The CNSF - What it does

➢ Plans and executes the annual CNSF Congress (Accredited for CME, Section 1)
➢ Develops and implements accredited programs external to the Congress (CNSF Webinars)
➢ Publishes the Canadian Journal of Neurological Sciences (CJNS)
➢ Manages the CNSF Member Societies
➢ Advocates for the neurological sciences through the “Neurological Health Charities Canada”, a consortium of neurological not for profits. We also disseminate the latest updates and recommendations to our CNSF members through our CNSF Advocacy Hub
The CNSF - What it does

- Publishes CNSF Neuro|News bi-monthly electronic newsletter to members featuring:
  - Society and Federation news
  - Congress details and updates
  - Job postings
  - Advocacy items
  - Message from the CNSF and Society Presidents
  - CJNS Journal Highlights
  - Webinars and other CNSF CME opportunities
  - Continuing Professional Development (CPD) opportunities
The CNSF - Why you should be a member

CNSF Congress

Geared towards the continued professional development learning needs of Neurologists, Neurosurgeons, Pediatric Neurologists, Neurophysiologists, Neuroradiologists and Neuroscientists.

- Accredited learning activity
- Gather with your colleagues and friends from across the country
- Learn, Mentor, Share, Teach, Collaborate, Advocate
- Members enjoy discounted registration fees
The CNSF - Why you should join

CNSF Congress

• Residents' representatives from both the CNS and CACN have created listings for Canadian fellowship opportunities
• CSNR Webinars and past recordings
The CNSF - Why you should join

Specific Resident Benefits

➢ Newest benefit for our Junior members is the CNSF prepOSCE neurology sessions, offering virtual practice OSCE sessions for PGY5 members preparing for their Royal College exams

➢ Appointed Society Resident Representatives:
  • Sit on the CNSF Professional Development and Scientific Program Committees
  • Attend CNSF Board of Directors meetings and Society Board meetings
The CNSF - Why you should join

Specific Resident Benefits – Resident Reps

➢ Participate in Congress planning
  • Propose and present at scientific sessions
  • Co-chair sessions
  • Help organize the Congress Residents’ Social, a major networking event
    ❖ Senior staff discuss their careers
    ❖ Fellowship directors with positions to fill meet interested residents
    ❖ Interested parties go to discuss career opportunities
Join the CNSF

Because there are Canadian

➢ Ways of thinking
➢ Clinical Practice Guidelines
➢ Medications
➢ Healthcare systems
➢ Employment issues
➢ Advocacy themes
Why be a member?

➢ Take advantage of the **Benefits of Membership**
➢ Be part of a truly Canadian Federation
➢ Support the neurosciences in Canada
➢ Learn from your colleagues in other specialties and sub-specialties
➢ Network with MDs from all provinces
➢ Find a fellowship or career opportunity
Not a member of the CNSF?

Would you like to become a member of one of the CNSF National Specialty Societies?
Would you like to take advantage of the Benefits of CNSF Membership?

Download the appropriate society application form by choosing your society of interest or contact Donna Irvin, CNSF Member Services at: donna-irvin@cnsf.org / www.cnsf.org
