

**Locum Position, Pediatric Neurology
Dalhousie University/IWK Health Centre, Halifax, Nova Scotia**

The Division of Pediatric Neurology, Department of Pediatrics, Dalhousie University's Faculty of Medicine and the IWK Health Centre in Halifax, Nova Scotia is seeking a locum tenens for all or part of a block up to 12 months between March 1, 2022 and December 31, 2022.

The IWK Health Centre <http://www.iwk.nshealth.ca/> is an academic tertiary care pediatric and maternal care hospital and serves as the pediatric referral Centre for the Maritime Provinces. The primary role of the locum will be in clinical and on call duties for Pediatric Neurology. Teaching would be a minor component of the role primarily focused on trainees rotating through the service. There are no expectations for research or administrative responsibilities during this locum.

The successful physician will join a team of three Pediatric Neurology specialists. The service is supported by excellent diagnostic imaging and electrodiagnostic services. We work in conjunction with an exceptional interdisciplinary team, including ambulatory care RN support, dietician support, and 3 fully certified EEG technologists. We work closely with our Pediatric Rehabilitation program which encompasses the Cerebral Palsy Clinic as well as neuromuscular care. The Pediatric Neurologists share collaborative care with community pediatric teams across the Maritime Provinces.

Applicants must have Royal College of Physicians and Surgeons of Canada certification in Neurology (or equivalency as assessed by the Royal College of Physicians and Surgeons of Canada). Eligibility for medical licensure in the Province of Nova Scotia is required.

The application deadline is December 31, 2021

Interested applicants should submit a covering letter, curriculum vitae, and the names of three referees (minimum 2 academic), to:
