## About CHI St. Alexius Health

CHI St. Alexius Health is a Level II Trauma Center and is the largest health care delivery system in central and western North Dakota. Since our founding in 1885, CHI St. Alexius Health has been dedicated to serving the residents of central and western North Dakota, northern South Dakota, eastern Montana. CHI St. Alexius Health is a Roman Catholic organization whose sponsors are the Sisters of St. Benedict of the Annunciation Monastery, in Bismarck, ND and as an organization, we follow the Ethical and Religious Directives for Catholic Health Care Services as promulgated by the United States Conference of Catholic Bishops. CHI St. Alexius Health is proud of its stellar reputation as a caring, high quality medical center and of its many awards for clinical excellence, customer satisfaction and community service, but we are even more proud of our dedication to our mission. Throughout its history, CHI St. Alexius Health has proudly served the Dakota territories. Our ever-expanding lists of medical program, services and providers play an important role in the overall health and well-being of the 355,000 residents in our central and western North Dakota service area.

## About Bismarck & Surrounding Area

Bismarck, the capital of North Dakota (the state is adjacent to Saskatchewan and Manitoba province, Canada) is located along the majestic Missouri River, is an outdoor enthusiast's dream and is renowned for year-round outdoor recreation – hunting, fishing, golfing, hiking, skiing, and an assortment of winter sports. Coupled with a major river system and dozens of lakes, water sports and recreation opportunities are endless. For those that love the city, residents enjoy a wide range of museums, performing arts, great dining, shopping and entertainment theaters and restaurants.

Widely known as a region that is business friendly, a growing oil and energy sector, manufacturing and agriculture – the region enjoys an extraordinary low unemployment. Coupled with a regional airport that is served by all major US airlines (Delta, American, United, Allegiant, SunCountry), a vast assortment of affordable homes in terrific neighborhoods, the lowest crime rates in the country, exceptional public and private schools, colleges, universities – and the small-town charm that is a hallmark of this area – you and your family will find this a wonderful place to call home.
