

# Neuro-Hospitalist – Markham Stouffville Hospital

The Division of Neurology at Markham Stouffville Hospital is currently seeking full-time Neurologists to serve in a brand-new Neuro-Hospitalist Consultant model of care at the hospital. This role includes daytime weekday inpatient consults and follow-ups to expedite care plans for patients on our Integrated Stroke Unit and for other neurological conditions throughout our hospital, as well as an in-hospital rapid-access Acute Neurology Outpatient Clinic to support expedited discharge and admission avoidance. Remuneration is fee-for-service, with no overhead required. Participation in the Neurology On-Call roster is also a requirement; this includes overnight/weekend call, as well as virtual consultation for Uxbridge Hospital and the Reactivation Care Centre.

## Qualifications/Experience:

- An independent license or eligibility for an independent license from the College of Physicians and Surgeons of Ontario
- Neurology subspecialty certification from the Royal College of Physicians and Surgeons of Canada, or equivalent qualifications

Interested and qualified physicians are encouraged to submit an expression of interest and current Curriculum Vitae as soon as possible with an expected start date as early as November 1, 2025. Submissions will be accepted until the positions are filled. Submissions can be sent to Dr. Anthony La Delfa, Chief of Medicine, care of Trevor Whyte, Manager, Medical Administration at [trwhyte@oakvalleyhealth.ca](mailto:trwhyte@oakvalleyhealth.ca).
