**Recruiting Academic**  
**MS Neurologists**

**The University of Manitoba's Department of Internal Medicine - Section of Neurology at Winnipeg's Health Sciences Centre is recruiting faculty with expertise in multiple sclerosis**

**CLINICAL**

The MS Clinic at Winnipeg's Health Sciences Centre is a provincial resource for a catchment population of nearly 1.5 million. The clinic currently includes four subspecialty trained MS neurologists caring for nearly three thousand persons with demyelinating diseases. Allied health support includes two nurse practitioners, OT, PT, dietician and social worker. There is a clinical EMR which feeds into a research database. The clinic is housed in a new ambulatory care facility which opened in April 2022. Clinical income is derived from fee for service billing, augmented by a substantial per diem supplement.

Ambulatory Care Clinic – Winnipeg Health Sciences Centre

**RESEARCH**

Three of our MS neurologists have fifty percent or more protected research time and the group has a strong, international reputation in epidemiological research having acquired tens of millions of dollars in competing national and international research grants over the last fifteen years.

**For additional Information contact:**

**Dr. Dan Roberts** - Neurology Section Head

Winnipeg Health Sciences Centre

**RECRUITMENT**

We wish to recruit one additional individual with fifty percent research protected time and another full time MS clinician. Both positions require a fellowship in MS and the researcher will require further additional research training and experience and demonstrate a publication track record. Start dates are negotiable based on successful candidates' availability. Academic rank is commensurate with experience and academic record.

**Applicants must:**

- Have specialty qualifications in Neurology in the country of current practice (certification by the Royal College of Physicians and Surgeons of Canada is preferred)
- Be eligible for registration with the College of Physicians and Surgeons of Manitoba
- Physicians may be eligible for a recruitment incentive

**To apply, send:**

- cover letter
- curriculum vitae
- names of three potential references with their contact information to:

e-mail: [INTMEDRECRUITMENT@umanitoba.ca](mailto:INTMEDRECRUITMENT@umanitoba.ca)

## The City

Manitoba's multiculturally diverse capital with a population of more than 800,000 - offers a high quality of life with affordable housing, a long heritage of diverse cultural activity, numerous recreational opportunities, outstanding arts and cultural life and is home to the:

- Winnipeg Symphony Orchestra, Canada's Royal Winnipeg Ballet, and Manitoba Opera
- NHL Winnipeg Jets & CFL Winnipeg Blue Bombers
- Canadian Museum for Human Rights, the Manitoba Museum, the Winnipeg Art Gallery and new Inuit Art Gallery – Qaumajuq
- Assiniboine Park and Zoo - 445 hectares of grassy lawns, mature trees, cultural facilities, and English garden; Fort Whyte Alive 259 hectares with five lakes, grassy parkland, bog boardwalks and seven kilometers of walking and cycling trails. Assiniboine Forest –one of Canada's largest urban nature parks
